

6 Month Data Research and Collection Internship

LIFDR2309

PLEASE READ CAREFULLY BEFORE CONTINUING.

ESPA or European Student Placement Agency is a recruitment agency whose goal is to find high quality internships for European students and recent graduates in the UK. We work closely with our host companies to ensure the positions provide the candidates with a great experience, both professional and personal.

REQUIREMENTS: ESPA vacancies are open to all EU passport holders able to travel to the UK for an educational work placement, without the need for visa documents. You have to still be a student or have graduated in the last 12 months. Any student who is unsure of their visa situation should check with their university before applying.

BENEFITS: All ESPA's services are **free** for students and alumni. The benefits are:

- 1) Paid Accommodation.
- 2) Paid Utility Bills (electricity, gas, water and council tax) + Internet Access
- 3) Commuter travel to work (accommodation will be found within an acceptable commuting distance from the workplace, if that requires more than a sensible walk then a bus/train ticket will be provided).

This will be sourced and managed on your behalf by ESPA. **These benefits have an approximate value of 700€-1000€ per month (depending on location).**

There is no salary over and above the benefits offered, unless specifically stated.

To know more, please visit: www.espauk.com

The Host Company

The company develops and markets cloud and mobile software to help event organizers improve efficiency, lower risk, and increase enjoyment. The company solves large commercial problems using methods more normally associated with entertainment, social networking, and behavioural psychology.

Role

The right candidate will assist the company in researching sources of data for inclusion in the company's subscription databases.

These databases are primarily aimed at **event organizers** and include locations to **host events**, sources of suppliers with relevant experience, and staff who have worked in the domain previously, as well as other types of data. Each type of data will need to be evaluated with some care rather than a basic cut and paste job, including identifying their location, their track record, recommendations, and so on.

Duration

6 months

Location

Bath. A world-heritage city in the South West of England which hosts two great universities. With a truly international feel it has wonderful cultural experiences and is just 1.5 hour train journey from London and a 15 minute train journey from the vibrant city of Bristol.

Languages

Fluent spoken and written English (B2/C1 onwards).

Start date

November 2015.

Tasks

- Researching potential sources of related data.
- Searching and entering data into the company's custom databases.
- Telephone Research.
- Interviews with potential suppliers.
- Potential chance to have influence into the design of the company's products.

Personal Skills

Essential:

- Business analysis skills, academic or practical.
- Experience using cloud-based technical systems such as Google Drive, Salesforce, LinkedIn, etc.
- Experience in the event sector.

Desirable:

- Experience with supply chains, especially in the event sector.
- Experience in market research.
- Experience with web and mobile technology.

How to apply

STEP 1) Please, register with us at <http://www.espauk.com/students/register-with-us>

STEP 2) Please, send an email to madeline@espauk.com with the reference code **LIFDR2309** attaching your CV as a pdf file. A cover letter is always helpful.
