

## Web Developer Internship

**DBSPH0202**

### **PLEASE READ CAREFULLY BEFORE CONTINUING.**

ESPA or European Student Placement Agency is a recruitment agency whose goal is to find high quality internships for European students and recent graduates in the UK. We work closely with our host companies to ensure the positions provide the candidates with a great experience, both professional and personal.

**REQUIREMENTS:** ESPA vacancies are open to all EU passport holders able to travel to the UK for an educational work placement, without the need for visa documents. You have to still be a student or have graduated in the last 12 months. Any student who is unsure of their visa situation should check with their university before applying.

**BENEFITS:** All ESPA's services are **free** for students and alumni. The benefits are:

- 1) Paid Accommodation.
- 2) Paid Utility Bills (electricity, gas, water and council tax) + Internet Access
- 3) Commuter travel to work (accommodation will be found within an acceptable commuting distance from the workplace, if that requires more than a sensible walk then a bus/train ticket will be provided).

This will be sourced and managed on your behalf by ESPA. **These benefits have an approximate value of 700€-1000€ per month (depending on location).**

There is no salary over and above the benefits offered, unless specifically stated.

**To know more, please visit:** [www.espauk.com](http://www.espauk.com)

## Extra benefits

As most of European grants are no longer than 6 months the host company has agreed to offer also a payment in the second half of the internship (months 7 to the end) in addition to the regular benefits

## The Host Company

This agency believes in a carefully assembled, innovatively tailored service based on tried and tested methods and helps to nurture success from the roots up to build the best experiences for real people.

The host company is a strategic digital agency based in Bath. They believe in creating the very best digital solutions that inspire, simplify and add value to the lives of real people.

Their expert team design and build exceptional websites and business systems which are supported by a detailed development process and unique digital strategy.

They work collaboratively to understand opportunities, define solutions and transform businesses through a carefully assembled, innovatively tailored service, based on tried and tested methods.

## Role

As a PHP Web Developer at this agency you'll build world class websites, online systems and mobile applications that help clients achieve their digital ambitions. You'll learn about the range of integrated solutions they build using their in-house development framework, Spirit.

Working from their creative HQ in Bath, you'll be part of a rapidly growing agency that's dedicated to digital excellence. You'll collaborate with the team and their clients to consistently achieve the best possible results. You'll need the confidence to ask questions and challenge those around.

## Duration

12 months preferred

## Location

Bath. A worldheritage city in the South West of England which hosts two great universities. With a truly international feel it has wonderful cultural experiences and is just 1.5 hour train journey from London and a 15 minute train journey from the vibrant city of Bristol.

## Languages

Fluent in written and spoken English.

## Start date

March/April 2016

## Tasks

- Creation & maintenance of features (for websites/webapps/clients)
- Bug fixing/hunting
- Database architecture & data manipulation
- Writing documentation
- Time management
- Debugging

## Personal Skills

**Essential:**

### **Coding: PHP**

90% of our codebase is written in PHP. You must therefore be able to demonstrate a good understanding of PHP

## Database: MySQL

A strong understanding of MySQL 4 and 5 is an advantage. It is important that you understand the principals of building and optimising MySQL database and particularly that you are comfortable working on the MySQL command line.

## How to apply

**STEP 1)** Please, register with us at <http://www.espauk.com/students/register-with-us>

**STEP 2)** Please, send an email to [apply@espauk.com](mailto:apply@espauk.com) with the reference code **DBSPH0202** attaching your CV as a pdf file. A cover letter is always helpful.

## Are you eligible?

ESPA vacancies are open to all EU passport holders able to travel to the UK for an educational work placement, without the need for visa documents.
