

2015-2016 Academic Year MIRM SCHOLARSHIP COMPETITION

Master in Insurance and Risk Management | XVI edition

Generali Group and MIB School of Management are pleased to announce a competition for 1 scholarship for the XVI edition Master in Insurance and Risk Management programme (January 2015 - January 2016).

Generali Group is one of the most significant players in the global insurance and financial products market.

Characterized from the very outset by a strong international outlook and now present in more than 60 Countries, Generali has consolidated its position among the world's leading insurance operators, with significant market shares in western Europe - its main area of activity - and particularly in Germany, France, Austria, Spain, Switzerland and Central and Eastern Europe. The Group has - over the last decade - set up offices in the main markets of the Far East, among which India and China; in particular, in China, just after few years of operation, it has become the leader among the insurance companies with foreign equity interests.

MIB is one of the main centres for managerial and entrepreneurial education both at national and European level. Furthermore, the School carries out educational activities and research in several areas of insurance and financial management and offers a number of MBA and master programmes. The School represents an example of fruitful collaboration between the entrepreneurial and academic world and is actively developing partnerships with leading financial and insurance companies with the aim of supporting them in their development activities and facilitating the recruitment of young talents.

Master in Insurance and Risk Management programme is the result of a close working relationship between the School and a number of leading insurance companies. It develops the competences needed to overcome the challenges that the financial and insurance world face both today and in the future.
