

CALL FOR APPLICATIONS

Would you like to spend 10 unforgettable days with awesome people from all around the world? If your answer is yes, you should definitely join SCiM 2018!

Student organization of University of Maribor proudly invites students from across the globe to participate in **Student Conference in Maribor (SCiM)**, which will take place from **2nd of July until 11th of July 2018 in Maribor, Slovenia**.

SCiM is an international student conference where each year 60 students from all around the world gather to not only attend educational workshops, but also to take part in other activities of the conference.

The main purpose of the conference is to unite students from different countries in one place, where they have an opportunity to gain new knowledge, network and create valuable connections.

Beside main workshops students also have the opportunity to experience the city of Maribor through different activities, explore sLOVEnia on a two-day excursion and establish new friendships.

This year's theme is »CREATIVE PRESENT – BETTER FUTURE« and it is dedicated to encouraging creativity in our lives. Participants will have a chance to attend workshops dedicated to developing a personal brand, establishing a start-up, recycling, creating healthy habits and learning how to work in a fabrication laboratory.
